

# Welcome!

We're glad to see you. We're working hard to provide you as safe and clean a show environment as we can.

## Here's how you can help:

**Join us if you're healthy.** Please do not enter if not feeling well or you've been in close contact with others that are ill or have been/are being tested for COVID-19.

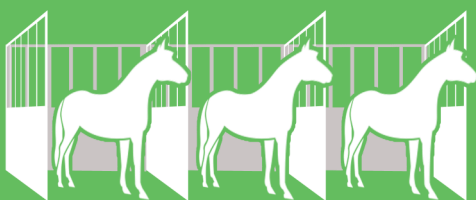

**Maintain 6' physical distance** with folks outside your household/traveling group. Minimize time in cramped spaces—register online with the show and pre-order from LEC as you can—shavings, stalls, mats, & campsites all easy to order online.

**Wear face covering when can't consistently maintain 6-foot distance.** (That's what you'll see LEC and show staff doing.) Need one? Visit our cafe or General Store—from \$1.

**Face coverings not required while mounted on a horse or in your own stalling aisle with your household/traveling group.**

**Stalling area access limited to working with your horse.** No personal belongings other than horse & tack and no congregating allowed in stalling areas.

**Groups are capped at 8 people at all times with 6 feet between groups.** Tables are provided in areas where visitors can spread out safely. If staying more than a day, we encourage you to **bring your own comfy chair** when possible.

**Wash & sanitize your hands often.** Use that elbow for coughs and sneezes.

*Thanks for helping make it possible to show as safely as possible during this global pandemic and to keep yourself, other visitors, staff and their families safe!*

**Questions/feedback?** Contact a uniformed staff member to reach the LEC manager on duty or if urgent call 402-429-4536 to reach LEC Manager on Call.

Above health guidelines are based on the latest local health directives and health authorities' recommendations. Want more info? Visit [CDC.gov](https://www.cdc.gov).
